

Mariani Clinic

The Mariani Clinic (Grande Salines) was built on land owned by Living Hope Ministries when Hope Alive! Clinic first began in 1998. Arrangements were made in January to obtain the land under the clinic! Praise God!

Dr. Paule fell, broke her ankle, required surgery, and will be out for 3 months. Her brother (a dr. also) will temporarily replace her. Please pray for Dr. Paule's recovery.

Abel will visit the US for the first time!

Abel (our Haitian administrator) will visit the NJ home office April 8. He'll say a few words at the Hope for Haiti Benefit Concert April 10 (see details below). We are excited to show him around the Philadelphia area and introduce him to everyone.

Mom-Tot Program

We still have sponsors for only a fraction of the moms and tots who are regularly receiving food, medicine and education in the Mother-Infant Nutrition Program.

Please prayerfully consider sponsoring a Mom-Tot for \$25 / month.

Tricon Clinic

Tricon Clinic is growing so fast Judith the administrator has requested an assistant. We are also in need of a wall around the building (for security). Your prayers have been appreciated. Please keep praying.

A Trip to the Dominican Republic

Hope Alive joined Come Alive! Church and visited the Dominican Republic 2/11-2/18/05. We linked with Island Impact who shares our vision to provide medical care through mobile medical clinics. Our friends Dr. Joe Papotto and Nurse Beverly Hinkeldey saw 375 patients.

4 Pharmacy Stations

Kolminy – Aquin – Desvarennnes - Boucan Patate

With your help, every month, we will bring **medicine, food** and the **Gospel** to each of these remote communities (networking with local Christian churches). For **only \$10/month** you can partner with us to sponsor a Pharmacy Station. Hunger and sickness continue to torment the dear Haitian people. YOU can make a difference! Also, please pray about helping us with a filtration system (dissolved salt deposits) at our Kolminy well.

Become a Sponsor!

If you would like to make a donation, become a sponsor or become a member of the Hope Alive! Mission team, please fill out the form below and send it to us:

Hope Alive! Clinic Ministries, Inc.
100 South Main Street • Medford • NJ • 08055
